<https://www.vdot.virginia.gov/Rt1PipelineCaroline>

**Find out** about a preliminary transportation study assessing potential safety and operational improvements to the entire Route 1 corridor in Caroline County. The purpose of this study is to identify and analyze transportation issues at various intersections, with a focus on congestion mitigation, safety improvements, and enhancing pedestrian, bicycle and transit access.

A presentation will be delivered at 6:15 p.m.

The potential improvements presented are only preliminary designs. The recommendations are not scheduled or funded as construction projects at this time. The study partners may consider the improvements for possible advancement through future local, regional, state, and federal transportation funding programs.

**Review** the study information at the public meeting, or on the website at <https://www.vdot.virginia.gov/Rt1PipelineCaroline>, or at VDOT's Fredericksburg District Office located at 87 Deacon Road, Fredericksburg, VA 22405 and 540-899-4288. Please call ahead to ensure the availability of appropriate staff to answer your questions.
